Available for travel · Freelance and full-time opportunities

PROFILE

Commercial videographer and content creator with 4+ years of experience producing video content for businesses, media companies, and personal brands. Specialized in creating promotional videos, social media content, interviews, event videos, and short-form vertical content for Instagram Reels, TikTok, and YouTube Shorts. Experienced in the full production cycle: concept development, scripting, filming, lighting, sound recording, editing, color grading, and final delivery. Worked with restaurants, real estate companies, experts, and media projects, completing 50+ video productions.
